Types of Sales

Wagon Sales

(Formally Show and Deliver Sale)

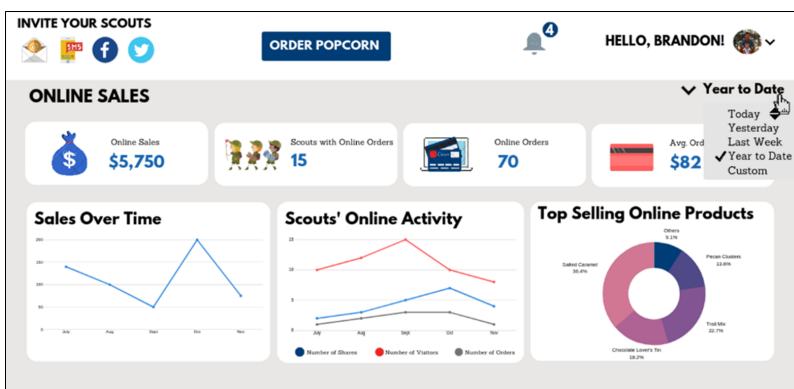

Orders due Thursday, Aug. 25

Wagon Sales provide units the opportunity to order popcorn before the start of the sale. This is an optional part of the sale, but is a proven method to boost sales! Scouts will have product available to deliver at the point of sale and will not need to return at a later date to deliver product or collect money. As part of this method, consider store-front sales. No upfront payment from the unit is required. See the **Return Requirements** on Page 9 for information on returning product during and after the sale. Keep track of what each Scout has at any time with the new Trail's End App. Assign and change individual Scout's inventory within the leader portal.

Take order Sale orders due Sunday, Nov. 6 at Midnight

Units will be able to order popcorn products based on the orders received from individual Scout "Take Order" forms, without having the product in hand. The "Take Order" sale has been used very effectively and will continue to represent at least part of your unit's total sale.

Online Direct

Nationally, online continues to grow.

BENEFITS FOR UNITS

- No risk of excess inventory
- No cash collection
- No extra work
- No handling product

BENEFITS FOR SCOUTS

- Average online sale \$73 vs. \$22 face-to-face
- More product variety
- Sales count toward Trail's End Rewards
- 35% Commission on all sales

Storefront Sales

Set up storefronts using the Trail's End Leader portal. Scouts can see what shifts are available and claim them via their app account. Make changes, send messages and more through the portal.

Before the Sale Date

- Visit or call locations early!
- Talk with the store manager, and possibly the weekend manager.
- If the store requires proof of insurance, or non-profit, please contact popcorn@northernstar.org.
- When reserving your day, ask the business where you can set up, or if there are any restrictions, etc.
- Double check with the business the day before. Conflicts have been known to happen.
- Option 1-Schedule two youth and two parents for two hours. It keeps the chaos factor very low.
- Option 2-Schedule one youth and parent.
- Confirm with the parent(s) of the youth who are scheduled three days out.

During and After the Sale Date

- Wear Masks if required. Check with the store on their policy.
- Have Scouts in uniform and stand behind of the table.
- Do not put prices on product or table.
- Never have the Scouts ask customers if they want to buy popcorn. Have them ask things like: "Would you like to support me going to camp? Can I count on you to support my Scouting adventure?"
- Have the products neatly displayed. Do NOT put prices out. It discourages higher purchases.
- Make sure to thank the store manager. Consider buying a bag and giving it to the store manager along with a thank-you note signed by the Scouts.

Need more product during the sale?

Warehouse & Snack Semi

- During the sale reorders will be done via a DIFFERENT online order system at www.buyscoutpopcorn.com.
- **Do NOT order additional product during the sale through the Trail's End site.**
- This year we will have one central Warehouse and the Snack Semi.
- **WAREHOUSES:** The warehouse schedule will be handed out at Distribution Sites/Home Deliveries, emailed to chairs, and on www.buyscoutpopcorn.com.
- **SNACK SEMI:** A truck that will drive around the council area on a defined schedule, similar to the Amazon treasure truck. Full details and a schedule will be emailed out to chairs in September.
- Some product limits will be enforced if the team deems it necessary.
- **Reminder**—Reordering of product will not be available for the first six days of the sale.
- Add-on orders will be updated to your Unit after you pick up within a few business days.
- You can go negative in your inventory when assigning new inventory to Scouts until things are updated.

Online transfers

Unit-to-Unit product transfers can be done via The Trail's End Leader Portal by allowing Units to transfer products from their popcorn orders to another unit within their council. **All transfers will be done using the Leader Portal.**

Units can click the Approve button, or the Reject button if the transfer quantities are incorrect. Once the receiving Unit has accepted the product transfer, adjustments will be automatically made to each Unit's popcorn invoice statement to reflect the product transfer.

Distribution

Sept. 15-16 for Wagon Sales. Nov. 18 for Take order.

District Pick up locations will be announced by Aug 15.

Pick your distribution location. Pick any of the distribution locations/dates/times that are available.

Step 1: When prompted via email at the end of August that details your Show and Deliver pick up location, if you need to change it, please follow the prompts in that email.

Step 2: Pick up your product at your chosen location. If you cannot be at the location, please find another parent to pick up the product. We cannot store product longer than our agreements with the warehouses. They let us use their space for free. Use the following estimates to know how many cars/volunteers you will need:

Car: 20 cases

SUV, Mini Van, Pick-up: 30-40 cases

Full Size Van: 50-60 cases

Step 3: Find a location that is large enough to separate orders by patrol, den, or by Scout.

Step 4: Assign each patrol, den, or Scout a popcorn pick-up time.

Step 5: Have a receipt for each Scout to verify the amount of product they received as well as the date that the payment is due back to the unit.

Return Policies

- We will have **two** “Early Return Forgiveness” days mid sale. Units can return full cases of product if they over ordered. There are no percentage requirements for what you can return. Those days will be Oct. 9 and 10.
- **Units can return up to 100% their initial order, in FULL CASES of product at early return days. No singles.**
- Do **NOT** put stickers, tape or anything detailing pricing on product unless it comes off without a trace. Post-it notes are OK.

2022 Final Returns—Units will only be able to return up to 15% of their TOTAL Show and Deliver order after Oct 10.

- **Single packages in good condition will be accepted at FINAL return sites only.**
- On Final Return dates, each warehouse will have calculated amount units can return via spreadsheet. For any product over the 15% mark, the unit will keep and continue to sell. For example, if the unit is \$400 over in product they can return, they can choose to keep whatever \$400 in product they feel they can sell easiest. Staff advice available at the sites.
- Units can input what they are returning, but it will not be processed until it is confirmed with the paper form filled out at one of the return sites.
- Return dates for popcorn are scheduled below (subject to change, check www.buyscoutpopcorn.com for changes).

Sunday, Oct. 9 and Monday, Oct. 10 Early Return 4 p.m.—7 p.m.

Thurs, Nov. 3 and Sunday, Nov. 6 Final Returns 4 p.m.-7 p.m.

ABSOLUTELY NO RETURNS AFTER NOV. 6

Inventory Control Help

- Visit the popcorn trading page via www.buyscoutpopcorn.com. Transfer and trade with other units in Northern Star. Transfers are initiated by the Unit in the Leader Portal.
- Have over 15% to return? Keep selling! Have an additional storefront. The key is to ask for help **EARLY**. Most of the units that had leftover product were able to get rid of all of it before the end of the year because they let Northern Star know they had it. We get late orders, new units and many other Scouts where we need that product. The key is to let us know early in the sale so we can help!
- Communicate with your Scouts. Have them report back actual product still unsold and transfer it to Scouts who have waiting customers. Prior to picking up additional product make sure you know where your product is with your Scouts.
- Don't have your Scouts give their product out right away to easy sales (parents and immediate family). Use that at storefronts and door-to-door so you have popular items in stock for sales.
- For specific inventory control questions, contact Council Volunteer Mike Glass, listed on the back cover of this booklet.

Home Delivery *\$12,000+ in sales in 2021 (Changing to \$15,000 for 2023)*

- Show and Deliver Delivery Units that sold a total of \$12,000+ in 2021 total have earned Home Delivery in 2022.
- Must order at least \$6,000 or 35% of last year's sale (whichever is greater).
- Units will be contacted by the courier 2-4 days prior to their delivery date in Sept. to schedule drop off.
- Units that order \$12,000+ in take order will have it delivered in Nov.

Hometown Heroes (HH)

Last year, over \$80,000 in popcorn was delivered to local Police, Fire, EMS, Military and more in our communities!

Again this year we will offer product for units at the take order distribution centers to take for local HH deliveries.

DO's and DON'Ts about Hometown Heroes

- Do know that all HH sales count toward a Scout's sales totals, just like any other product. They earn the same commission percentage.
- Do tell customers that 100% of the HH sales will be donated to police, fire, EMS, military employees and families.
- Do choose to distribute your HH locally! Units can choose to pick up product equal to the amount they sell to give away to their local HH, or the unit can choose to have the Northern Star distribute it.
- Do put out a bucket/boot/etc. at your storefront to collect donations for HH popcorn.
- Do make sure to submit your HH order through the Trails End website for the TAKE ORDER order.
- Don't use donations for anything other than Hometown Heroes popcorn. National Scouting policy is that units are not allowed to ask for cash donations. All donations given while selling popcorn should go towards HH.
- **Don't use your excess inventory to fill Hometown Heroes popcorn. Northern Star has this program; so it can use its excess inventory after returns to fill the HH need.**
- Don't forget to take pictures of your Scouts interacting with your HH.
- Again this year, when using the Trails End App, Scouts have the ability to offer add-ons of \$1 and more Hometown Heroes sales to customers once they purchase any item.

PAYMENTS

- Payments are due to the Northern Star office on or before **Dec. 15, 2022.**
- Northern Star Scouting does front the cost of all product and does not ask its units to pay their invoice right away. You can pay earlier if you want. Please be prompt with your payment.
- **Bounced checks:** Northern Star Scouting will work with units if they receive a bounced check from a popcorn buyer. See bounced check policy on www.buyscoutpopcorn.com. **Form must be submitted by Jan. 31, 2023.**
- If you are having problems collecting funds from someone in your unit (after a reasonable number of attempts) please contact Northern Star Office: 612-261-2405.
- Please submit 1 check to the Northern Star via mail or drop off with your invoice. Please include your Unit # in the memo area.
- Checks can be mailed to: Northern Star Scouting, 6202 Bloomington Road, Fort Snelling MN, 55111.
- **Payments not submitted by December 15 may be assessed a 4.25% late fee.**

Scout Accounts

Some units allow youth to accrue portions of funds raised in an account under their name, rather than billing families that don't participate equally in the fundraiser. To prevent violation of IRS "private benefit" rules, the youth member should not earn more than 20% of the total gross from a fundraiser; the funds may only be used for Scouting purposes reflected within the scope of unit activities; and the criteria for how much "credit" they have earned should be based on Scout spirit and participation in all activities, rather than how much a Scout raised in the fundraiser. If a youth transfers to another unit, such funds can follow to the new unit, but must be transferred directly from one unit to another. Please check your unit's bylaws for how much gets transferred.

Commission Structure

Commission Type:

ONLINE DIRECT*

TRADITIONAL/WAGON/TAKE ORDER

Training Bonus

Cash Option (for Troops/Crews only)

Commission Percentage:

35%

32%

3%

4%

A note about the 4% Cash Option. With the new Trail's End Amazon Gift Card program, it makes sense for most units to NOT do the 4% cash option and do the Amazon prize program as the percentage back in Amazon cards is usually more than the 4%, especially if you have high sellers. For example, if a Scout sells \$1000 and earns 1500 points, they would get a \$50 Amazon card, more than the \$40 the unit would get. High sellers are motivated by the Amazon cards.
