

Popcorn Newsletter 9-25-25

Sale is in its 2nd weekend!

The 2025 Popcorn sale is off and running! Units sold over \$400,000 in the first three days of the sale, the most since 2020 for opening weekend. Great job everyone!

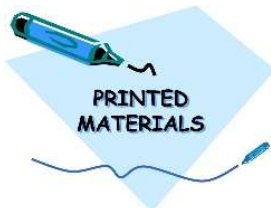

Available Storefronts for this weekend

There are 54 shifts with 364 hours of available storefronts this weekend! To claim one, log into the leader portal and click on Storefront Reservations. Remember—Trail's End scheduled storefront weekend days with no Scouts signed up by 7pm on Thursdays will go back into the system. Check the leader portal Thursday evenings for more last-minute available storefronts.

Storefront Troubleshooting

A quick reminder on storefront troubleshooting. If two units happen to get scheduled at the same storefront location at the same date and time, try and work it out as best you can. Report it to Trail's End and Bill A-H. It happens once and a while, and hopefully units can work it out easily.

Need Materials?

Need more sales guides, check out receipts, banners (\$10 each) or laminated sheets? All three Scout Shops (Mounds View, Base Camp and Hermantown) have supplies of them. Pick them up during business hours. The Snack semi will also have supplies as well.

Popcorn reorders

Need more popcorn? Check out the reorder process info sheet that was attached to your 9-25 email or find it at www.buyscoutpopcorn.com. We are currently working with Trail's End to secure more popcorn as soon as possible. Also check out the new swap site on the reorder sheet.

Early Returns

Early returns are coming Oct 5-6 at various locations. See the attachment to the 9-25 email with full details.

What else? If you have other questions, please let us know!
